Dr. Stephanie Haridopolos to be SafeSpace keynote speaker

Dr. Stephanie Haridopolos

The keynote speaker for the 2012 Every Woman is My Sister events to benefit SafeSpace, Inc. is Dr. Stephanie Haridopolos.

This year's events are gala fundraisers that will celebrate the survivors, the victims of domestic violence who have triumphed in shaping better, safer lives for themselves and their children.

Dr. Haridopolos, a family practitioner and wife of Florida Senate President Mike Haridopolos, is celebrating her own survival by encouraging other victims. She told her story of past domestic violence publicly for the first time late last year.

"Let me be your voice," Dr. Haridopolos says. "If my story can help other victims come forward, then its well worth sharing."

The 2012 Every Woman is My Sister fundraisers are March 24 at the Grand Harbor Country Club in Vero Beach and March 29 at the Willoughby Clubhouse in Stuart.

Tickets are \$125 a person and are available by calling Tracy Levy at (772) 223-2399.
