Help Strengthen the Regional Response to Domestic Violence

Dear Community Partner,

On Tuesday, October 13, 2026, SafeSpace, in collaboration with the Circuit 19 Domestic Violence Task Force, will host the Domestic Violence Summit: From Awareness to Action at the MIDFLORIDA Event Center in Port St. Lucie.

This first-of-its-kind regional training event will bring together approximately 150-200 professionals who interact with survivors of domestic violence, children exposed to domestic violence, and people who cause harm. Participants will include law enforcement, prosecutors, all first responders, healthcare providers, child welfare/DCF, advocates, educators, school partners, and other system and community professionals.

The summit's theme - Safety. Solidarity. Solutions. - reflects an important truth: no single agency can improve outcomes alone. Each part of the community response has a role in recognizing risk, connecting survivors to support, documenting what occurred, protecting children, strengthening accountability, and coordinating the next safe step.

We invite your organization to help make this training accessible and impactful through sponsorship. Sponsor support will help underwrite high-quality presenters, venue and audiovisual costs, meals and refreshments, conference materials, continuing education expenses, and reduced registration costs that encourage multidisciplinary attendance.

Your support will demonstrate a commitment to safer families, stronger professional practice, and a coordinated regional response to domestic violence. We would welcome the opportunity to discuss the sponsorship level that best aligns with your organization's goals.

With appreciation,

Jennifer Fox, MSW, MBA
Chief Executive Officer, SafeSpace
